COMMENTS FROM THE TOWN MANAGER'S OFFICE

Complaints have been received from persons in the Village area relatives to the riding of bicycles on the sidewalks, with disregard for persons on foot. Attention of parents and their children is called to Article 3, Section I, Town Ordinances, which states "that no person shall be allowed to ride a bicycle on any sidewalk or footpath in general use within the limits of said Town. Each bicycle used in the limits of the Town shall be equipped with a bell or gong and at night, with a light." Your cooperation will be appreciated by observing the ordinance.

Chapter 284 of the Public Laws of 1957 states that "Every person propelling a bicycle shall ride said bicycle as far as practicable to the right side of the roadway at all times except when making a left turn." The same chapter also states that "when satisfied that a juvenile under the age of 17 years has ridden a bicycle in violation of any of the provisions of sections 147-A and 147-B, may impound the bicycle for a period not to exceed 5 days for the first offense, for a period not to exceed 10 days for a second offense and 30 days for any subsequent offense." Persons over 17 years of age are subject to a fine of \$10.00, if convicted in municipal court.

Bids are currently being solicited from seven companies for tar and asphalt. The bids will be opened at the next regular meeting of the Selectmen on May 12. Surface treatment of roads and streets will commence early in June, depending on weather conditions.

Sincerely,
Harold L. Bean

New Skiing Area Taking Shape On Mt. Abram Slope

Development of Mount Abram Ski Slopes by the Cross Brothers near Locke Mills is attracting the attention of many travelers and local people. The project is on the slope of Mount Abram about a mile and a half from Locke Mills village on the Howe Hill road.

Already cleared is the path of a lift line of 3,350 feet, with a rise of over 900 feet in that distance, which can be seen from Route 26 east of Locke Mills. The top of the clearing can be seen from several places in Bethel. A novice slope, where a 900 foot tow is planned, is also cleared. A large parking area is expected to be cleared this week.

Included in the plans are a slope of about a mile and one of three-quarters that distance, as well as a ski lodge and all the usual accessories to skiers' convenience.

This enterprise is the work of Stuart, Donald and Norton Cross of Bethel and is located on their land. It is expected that the slopes and equipment will be ready for the enjoyment of the skiing public the coming season.

SHELBOURNE INN BURNED WEDNESDAY FORENOON

The Shelbourne Inn at Shelburne, N. H., was burned to the ground Wednesday forenoon with loss estimated at \$75,000. For the past 16 years the well-known landmark had been operated as a summer hotel by Mr. and Mrs. Leo Portet. The new hotel and other nearby buildings were unharmed.

The picturesque structure was built about 70 years ago by William K. Aston of New York who for years maintained a large attractive estate there. Later it was the property of the late Dr. William Rogers Chapman for several years.

Those present: Norma Sloan, Eleanor Mills, Linda Curtis, Cheryl Grenier, Carol Flint, Lorraine Eames, Barbara Hutchinson, Martha Keniston, Cindy Freeman, Charlene Freeman, Charlene Swain, Shelia Gilbert, Jane Luzzon, Grace Haines, Alan Chapman, Frank Swan, Larry Smith, Timothy Ramaze, Dick Jacobs, Corey Brown, John Young, Charles Mills, Douglas Bane, Donald and Charles Sprague.

ertson, Dickie Waldron, Albert Leighton, George Angevine, Lloyd Carver, Robert Remington, Robert Tibbetts, Richard Paine, Jerry Nowlin, Warren Tibbetts, Parker Conner, Bill Hibbard, Andy Stowell, Mike Chretien, Alan Curtis, Allan Walker, Clayton Rice, Roland Morin, Robert Everett, Neil Olson, Owen Brown, Jack McMillin, Kendall Lane, Timmy Hutchins, Barry Salway, Paul Vachon, Tony Chapman, Carroll Murphy, Allan Burgess, Edwin Sloane, Mike Hutchins, Robert Saunders, Mike Bates, Billy Keaslie, Alfred Hebert, Eugene Westleigh, Ronald Brown, Ralph Jackson, Matthew Brooks, Doug Walker, Rodney Hancock, David Hancock, Craig Boyd, and Robert Hebert.

It is believed that many of the thirteen and fourteen year olds missed reporting, and if they wish to play, they may still report to Richard Saunders. It was announced that fifteen year olds will be permitted to play, also, on the Bethel Junior team.

POPPIES WILL HONOR HALF-MILLION DEAD

The American Legion Auxiliary reports that wearing a Poppy on Poppy Day will honor the more than half-million Americans who died and the nearly one-million wounded during the three past wars.

Jackson-Silver Unit, American Legion Auxiliary, Locke Mills, announces the memorial poppies to be worn here have been made by disabled veterans at the Tokus Hospital.

AUTO ACCIDENTS DON'T ALWAYS HAPPEN TO THE OTHER FELLOW

"Accidents? Oh, yes, those unpleasant things which happen to other people!" "Frequently, we hear remarks which are similar to the above," observed the Maine Highway Safety Committee today. "An amazing number of people have a strong feeling that accidents always happen to 'other people'. Their line of reasoning runs something like this: 'Rare, that teenager across the street with his old jalopy, that elderly fellow who is a bit jittery, the young married woman at the end of the block, and that crazy salesman who drives too fast—they're bound to get it sooner or later.' "These people can point out many others to whom accidents may happen. However, in their thinking and reasoning, they are firmly convinced that nothing of that nature will ever happen to them. "This philosophy that 'accidents always happen to someone else' is a mighty dangerous one," concluded the committee. "Unless we realize that the moment we get behind the wheel of a car we become potential parties to a motor vehicle accident, we shall be prime candidates for highway misfortune. This does not mean that we should be indecisive behind the wheel. Rather it means that we should recognize the dangers of motor vehicle travel and that we should do everything possible to avoid them. Actually, it boils down to this: compliance with the motor vehicle laws and constant vigilance in traffic."

The smelters have slowed up considerably lately, only a few cars go by now with nets on top. Large hosts on trailers and small ones on top of cars are passing continually. It seems as though almost everyone is thinking of going fishing or sailing.

ANNUAL MAIL BOX IMPROVEMENT PROGRAM

The Post Office Department has designated the week of May 16 to 21, 1960, as Mail Box Improvement Week. This improvement program will include mail boxes on mounted city routes and star routes with collection and delivery service, as well as mail boxes on rural routes.

The Department wishes to encourage patrons to provide suitable mail receptacles, erected and maintained for easy and safe accessibility, presenting a neat appearance, and affording protection to the mail. Boxes that are not properly erected or not maintained in good serviceable condition retard the delivery of mail and expose it to the weather. Boxes that are no longer serviceable must be replaced.

Patrons of rural routes are required to provide mail boxes of the standard approved type. Patrons who are still using boxes of the top-opening type should not be required to discard them, provided they have been continuously in use by the same owner and at the same location for many years, if they are maintained in good serviceable condition and can be easily served by the carrier from his vehicle. Names of box owners should be inscribed on the side of the box visible to the carrier as he approaches, and on the door if boxes are grouped. The box number may be inscribed on the box if desired. Boxes and supports should be kept painted. Postmasters and rural carriers should enlist the cooperation of patrons to group boxes wherever practicable, particularly where adequate turnouts can be provided.

Mail boxes on rural and star routes must be located on the right side of the road in the direction of travel of the carriers in all cases where traffic conditions are such that it would be dangerous for the carriers to drive to the left in order to serve the boxes, or where their doing so would constitute a violation of State or local traffic laws and regulations.

On Star routes with box delivery and collection service where a box is newly installed, or a present box is being replaced, an approved rural mail box must be provided.

phile, Dabbler and Manual; Donna Breault, Patty Herring, Lone Receivers were: Pen Pal, Sue Howe; Rambler, B. R. Cole; Hospitality, P. Davis; Swimmers, P. Herring. Cooking, Sewing and Good Grooming Badges were earned by the entire troop as group projects.

Ice cream and cup cakes were served to two visiting mothers and the girls.

TODAY'S Meditation

The Upper Room

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, May 12
Read Matthew 6:27-34
Take therefore no thought of the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof. (Matthew 6:24).

While learning to drive an automobile, I often looked far ahead and sometimes saw traffic problems. I then began to worry about how I would manage to drive through when I got to that place.

My husband, who was my teacher, always said, "Don't worry about the traffic ahead; watch what you are doing here. Those problems you see ahead will usually clear up before you get there."

How true that fact is in the life of a Christian! Jesus always counseled against worrying about what may lie ahead. The psalmist tells us to

cast our burdens on the Lord. We become concerned with things that may happen tomorrow instead of doing all we can today. Too often we forget that God is present with us today and will be with us each tomorrow. Everything will work out all right if we have faith and exercise patience.

PRAYER: O Father, teach us to be calm, trustful Christians, not anxious over something that may happen in the future. Help us to be busy in doing Thy will today. Sustain our faith that we may use every moment as a shining one for Thee by doing good in the Master's name. Amen.
